

# Join Friends of PROFAMIL

Join a group of friends that understands that family planning is critical for reducing maternal mortality, improving sexual health, and decreasing poverty. By supporting PROFAMIL, Friends of PROFAMIL Haiti (FOPH) is working to help the hundreds of thousands of people in Haiti who cannot afford to consult with health professionals about their reproductive and sexual health.

PROFAMIL is a Haitian non-profit that offers affordable and high-quality services for sexual and reproductive health, which include screening and treatment for sexually transmitted infections, gynecological care, male and female family planning methods, cervical cancer detection and prevention, post-abortion care, and youth sex education.

## What is involved in being a FOPH board member?

- Attend monthly virtual board meetings
- Contribute \$250 annually

## The Board is interested in hearing from individuals with experience or abilities in:

- Fundraising for non-profit entities;
- Ability to network in person and online;
- Social media campaigns;
- Sexual and reproductive health advocacy;
- A commitment to our values of compassion, integrity, dedication, inclusiveness, and accountability

Please submit your expression of interest along with your resume to [friendsofprofamilhaiti@gmail.com](mailto:friendsofprofamilhaiti@gmail.com)

For more information on PROFAMIL, please visit [profamil.org](http://profamil.org)

We are inviting individuals interested in contributing to:

- Increasing our support of Haitian sexual and reproductive health through fundraising;
- Assisting PROFAMIL in cultivating engagement and community advocacy to support affordable health services; and
- Maintaining a strong, adaptive, and resilient organization
